

DEBLOCK

Paused

A red, rectangular sticker with rounded corners and a slight 3D effect is placed diagonally across the word 'DEBLOCK'. The word 'Paused' is written on the sticker in a white, sans-serif font. The background consists of a light blue sky with soft, white clouds. Below the sky, there is a large, disorganized pile of colorful, rounded rectangular blocks in shades of yellow, orange, red, and light blue. The blocks are stacked and overlapping, creating a sense of depth and clutter.
